

Conditions of Use for a Letting

Use of School premises for a letting must be agreed in advance and confirmed in writing by both the user and the authorised representative of the school. The potential hirer must be over the age of 18yrs. The agreement will include the fee, appropriate VAT and any other charges payable. These are reviewed in advance of the second and succeeding years. It must be recognised that school use of the premises takes priority and that there may be occasions when arrangements have to be changed (where possible these will be advised at the time agreement is reached). Formal confirmation of bookings will be made termly when school requirements have been finalised.

If the user wishes to cancel a specific booking or set of bookings, five clear working days notice must be given of the cancellation, in which case the school will charge a cancellation fee of a quarter the total fees due. If less than five days notice is given, the whole of the fees may be charged by the school. When regular weekly/monthly bookings have been made, cancellation will result in a negotiated fee according to the opportunities available for re-letting the facility.

Standard rated VAT is payable on lettings of sports facilities unless the letting is to a school or club that meets with the ten sessions rule and more generally the VAT regulations in full, in which case the lettings will be exempt from VAT. Therefore a refund for a cancellation may break the series and result in VAT being chargeable on all the lettings. Full details of the VAT regulations are available from the HMRC website in the Internal Guidance Manual for Land and Property section 18.

Any damage must be reported to the Business or site Manager at the earliest possible opportunity. Damage or loss of any kind sustained to the premises, fixtures and/or fittings, furniture and/or other chattels therein arising out of or in connection with use of the school shall be made good at the expense of the user within one month by the school or, by agreement, by the user and to the satisfaction of the school.

The users are required to make arrangements for suitable insurance cover (currently a minimum of £5 million for each and every claim for public liability) with a reputable company in respect of claims which might be made against them by a third party for accidental injury including death or accidental loss, or damage to property arising out of, or in consequence of, the letting and to cover the school, and must produce proof of the policy before the letting is contracted.

However, if non-commercial users are unable to provide insurance cover which meets the council's requirements, cover must be arranged through the KCC Hirers Liability Policy, for which a contribution towards the cost of the KCC Hirers' Liability Policy equal to 3.15% of the total hire charge will be levied in addition to the hire charge itself. The user will be responsible for the first £350 of each and every property damage claim.

The charge for a letting, payable in advance of the letting date, includes an amount to cover payment for standard opening and closing caretaking duties and may include additional duties if agreed prior to the letting. The user is expected to adhere strictly to the agreed times or, subject to a caretaker being available, be prepared to pay additional overtime.

It is the user's sole responsibility to control agreed numbers and entry of all visitors at the external entrance allocated and to ensure that only those people known to them are allowed access to school premises. The entrance and any other external doors that are unlocked must be controlled by responsible adults at all time during the period of the letting. On completion of the letting a check must be carried out to ensure that all windows have been shut and secured, and all visitors have left the premises.

The user shall not cause or permit any nuisance or disturbance to other occupiers or users at the school or to occupiers of neighbouring properties.

The user should be aware of the appropriate action to be taken in the event of fire or other emergency. They should know where extinguishers are located and how to use them, how to obtain assistance from the emergency services and the location of fire exits.

Smoking and the use of e-cigarettes or "vaping" is not allowed within the school buildings or boundary.

The Health and Safety at Work, etc Act, 1974 (as amended) imposes duties not only on employers in respect of their employees but also on persons having control over places of work or places where plant or substances are used and on anyone who by virtue of a contract has an obligation in relation to such a place. The duties are to ensure as far is reasonably practicable, that the facilities and means of access are safe and without risk to health. Users must comply with the school health and safety policy, a copy of which is available on request.

A risk assessment may need to be completed by the hirer. The School Business Manager will consider the risks and proposed controls and be satisfied that the activity does not present an unacceptable level of risk.

The user is responsible for the provision of a suitable first aid kit.

The school meal facilities/canteen is not available for hire. Food or drinks are only to be consumed in the Canteen or Heart Space.

All rubbish, empty containers, crates, etc must be removed from the premises by the user immediately after the letting has taken place and before the caretaker locks up. Furniture and equipment is to be left as found unless other arrangements have been agreed with the school's authorised representative or caretaker.

The wearing of shoes likely to damage floors, especially in any hall and any gymnasium, is prohibited.

The premises shall not be used for any purpose other than that for which agreement has been granted nor shall any areas of, or furniture/equipment in, the school but not included in the letting agreement be used without express permission; in such cases an extra fee may be payable.

The reason for hire should align with the School's Values and Ethos.

Alcoholic drink must not be bought onto the premises.

No public performance of a play, cinematography exhibition, public dancing, singing, music or other public entertainment of the like shall be performed in or close to the premises. The school does not allow the hirer to apply for Temporary Event Notices (TENs) on any occasion.

Vehicles are not be allowed on the playing fields and no parking which restricts the site management or emergency services access will be permitted. Consideration of separating vehicles and pedestrians on site should be considered where the activity poses additional risk. Parking is only permitted in the designated bays. Control of parking is the responsibility of the user. No responsibility can be taken by the school for any damage to vehicles sustained whilst in the school grounds.

No landlord and tenant relationship shall be created.

All organisations will be required to comply with the schools safer recruiting procedure.
