Separate invigilation within Thamesview School is linked to students who have a medical condition i.e. Physically Disabled or mental health concerns

The SENCo must make their decision based on:

- whether the candidate has a substantial and long term impairment which has an adverse effect; and
- the candidate's normal way of working within the centre.

For example, in the case of separate invigilation, the candidate's difficulties are established within the centre (see Chapter 4, paragraph 4.1.4) and known to a Form Tutor, a Head of Year, the SENCo or a senior member of staff with pastoral responsibilities.

Separate invigilation reflects the candidate's normal way of working in internal school tests and mock examinations as a consequence of a long term medical condition or long term social, mental or emotional needs. (AA 5.16)

The SENCo must ensure that the proposed access arrangement does not disadvantage or advantage the candidate. (AA 4.2.1)

A candidate may only take their examinations under separate invigilation within the centre where he/she has **an established difficulty** - see **section 5.16** of the JCQ publication *Access Arrangements and Reasonable Adjustments*...

Where candidates are subject to separate invigilation within the centre, the regulations and guidance within this booklet must always be adhered to. This is particularly so in relation to accommodation and invigilation arrangements (see sections 11 and 12). (ICE 14)
